What is Title I?

Title I is a federally funded program available to schools with a high percentage of students eligible for free and reduced lunch. These funds are separate from District funds, and are available to schools to initiate programs that will enhance student

achievement and encourage parent involvement.

Parental Involvement Mission Statement

To provide ongoing encouragement, information, and opportunity for every parent to play a valuable role in the education of their children, and a contributing role toward the betterment of Journeys Academy. Together, all staff members and families will create opportunities for children to become life long learners and respectful, contributing members of society.

Read our District Title I Parent Involvement Policy & School Plans

School Plans and the District Policy establish the framework for parent participation. They are available at your child's school, on the school website and the District Title I Parent Involvement Office. We would like your input and involvement on our District Policy and School Plans. Please contact our school at 407-320-7850 or the District Parent Involvement Office at 407-320-0255.

Families are a Critical Part of Our School Team

There will be daytime and evening events or activities that are planned for this year! Families will receive flyers announcing the

activities. All are welcome, and accommodations for disabled and non-English speaking participants ensure full involvement. We want all parents to be involved! Learn about curriculum, standardized testing, and how to help at home!

Family Involvement Opportunities for Parents:

- **Attend Parent/Teacher Conferences**
- **Attend evening events**
- **Volunteer as a dividend or mentor**

An annual Parent Survey is given to all of our families for feedback and suggestions.

Parent/Teacher Conference

Conferences are one of the most important ways parents and

teachers work together as a team. In addition to sharing information about your child, this one-on-one opportunity includes discussion about learning gains, recommendations for home support, communication, and school resources.

Parents may request information regarding the professional qualifications of teachers and staff who work with their child.

SAC/School Advisory Committee Parent Involvement Team

SAC is a volunteer group of parents and teachers who meet monthly with administration to exchange ideas and initiate projects that will positively impact the school. Everyone is invited to join! The Journeys Academy newsletter will provide details and you are welcome to call for more information.
